2019 State Summer Club Championships

Participating clubs are required to help with timing. Assignments are below. Clubs not specifically assigned are asked to provide relief. Coaches will be responsible to fill spots for missing timers from their club.

Clubs are to furnish their own stop watches.

There is a separate timing assignment for the 25's on Saturday. Timers for the 25's will have the option to sit in a shaded area inside the barricade for Officials on the Southwest corner of the pool. Timers for 25's that do not wish to use this space are encouraged to be in the area at the start of the 11-12 Boys in races before the 25's.
